

TARRANT COUNTY AMBASSADOR'S CLUB

3310 Popplewell
Richland Hills, Texas 76118
982-556-0870

To: All Tarrant County Master Masons

The Tarrant County Ambassador's Club is open to all Tarrant County Master Masons. The Tarrant County Ambassador's Club organization has no dues, however, a badge is being designed and will be made available to the members at a small cost.

The Tarrant County Ambassador's Club was created in July 2005. The purpose in organizing such a club is to visit other lodges outside the 64th Masonic District to spread the cement of Brotherly Love and Affection. It is the Brotherhood that creates excitement and regenerates enthusiasm in our Fraternity. If 50 to 75 people showed up to your stated meeting the members would be talking about it for the next several years. What a wonderful way of communicating to Lodges outside of the 64th District that we care about their lodge and about our fraternity as a whole.

Some of the guidelines are as follows:

- Plan on just attending the stated meeting and not to eat. 50 to 75 extra people can put some lodges in a bind.
- We will meet at one central location and travel in caravan to the Lodge.
- Plan on having a great time visiting new lodges while meeting new brethren.
- Remember that you are an ambassador of good will from Tarrant County, and invite the brethren to visit your lodge.

Visits are not limited to just Stated Meetings, but other significant Masonic events (outdoor degrees, Golden Trowel Awards, etc...) outside Tarrant County. There is a lot of Pride in Tarrant County Masonry that promotes goodwill within itself, and it is exciting to show off that Pride to other districts.

Please send your suggestions to sbaugh1@sbcglobal.net

Sincerely and fraternally,

Gary Alexander & David R. Keefer
